Optical Fibre and Submarine Cables
Communications – past, present and future

A young boy with dark hair and large, expressive eyes is the central focus, looking directly at the camera with a slight, hopeful expression. He is wearing a light-colored, patterned shirt. In the background, other children are visible, slightly out of focus, in what appears to be a classroom setting with a green chalkboard.

Between hope and possible

there's a bridge.

There from the beginning
to where we stand today.
And to where we will go from here.
One company. One promise.

If you can imagine it,
we will build the bridge
to get you there.

The bridge to possible
